

Stomach Blood and Liver Troubles

Much sickness starts with weak stomach, and consequent poor, impoverished blood. Nervous and pale-people lack good, rich, red blood. Their stomachs need invigorating for, after all, a man can be no stronger than his stomach. A remedy that makes the stomach strong and the liver active, makes rich red blood and overcomes and drives out disease-producing bacteria and cures a whole multitude of diseases.

Get rid of your Stomach Weakness and Liver Lateness by taking a course of Dr. Pierce's Golden Medical Discovery—the great Stomach Restorative, Liver Invigorator and Blood Cleanser.

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, same being attached to correct under oath.

Dr. Pierce's Pleasant Pellets regulate and invigorate Stomach, Liver and Bowels.

George Zeiler died Saturday at 5 o'clock at his home in Kansas City, Mo.

George Zeiler was one of the old citizens of Lafayette county and was born in Lexington seventy years ago in the Zeiler home which was located where the Traders Bank now stands.

He was a tinner by trade and at one time conducted a store on the lot where Gratz Bros. are located. Mr. Zeiler was a musician of considerable ability and was the leader of the old Lexington band, a band of more than a local reputation. His wife was buried here last March and he was brought here for Sunday evening and taken to the residence of John Taubman, from where the funeral was held Monday morning at 10 o'clock. The services were conducted by Rev. O. M. Rickman. Mrs. Laura Page, her two daughters, Mrs. Roy Miller and Miss Winifred Page accompanied the body.

Improved Train Service.

A new time table on both the Lexington branch and the river route went into effect Sunday.

There is no change in the morning trains. The afternoon train going east now leaves Kansas City at 4:30 instead of 6:00 and arrives in Lexington at 6:55. This is a great improvement. The river train which formerly left Myrick at 8:10 now goes through at 4:47. This will enable people to get from here to Kansas City in the evening and get there in time to attend a theatre. The changes are pleasing to almost everybody.

The Vallima Literary society of Central college gave its third annual open session Monday evening at Murrell auditorium before an appreciative audience.

Elks Defeat High School.

For the second successive season the Elks carried off the civilian football championship of Lexington when Monday afternoon they defeated the Lexington high school 2 to 0. The has-beens had not practiced before the game and could do nothing in the way of advancing the ball; but they averaged about 35 pounds more than the students and had little difficulty in ripping up the choicest formations of the high school.

The one score was made on a bad attempt to punt early in the first half. In the second half the play was entirely in the Elks' territory and once it appeared that the high school had made a touch down. Referee Tillman, though, had blown his whistle and the ball was dead before it went over the line. There were no particularly brilliant performers in the fray.

Tell Some Sick One

It Is Free If It Fails.

Will you do an act of Humanity? Will you tell some sick friend of this, my remarkable offer?

Tell him or her, that you have learned of a medicine so certain that its maker dare say to the sick, "It is absolutely and unconditionally free if it fails."

And you, no doubt, already know of Dr. Shoop's Restorative and its popularity.

For 20 years it has been the standard remedy for Stomach, Kidney and Heart ailments everywhere in America.

When the "inside" or controlling nerves of these vital organs begin to fail, it is Dr. Shoop's Restorative that has quickly vitalized, and strengthened, and brought these nerves and organs back to health again.

I do not dose the Stomach, nor stimulate the Heart or Kidneys—for that is all wrong.

Dr. Shoop's Restorative goes direct to the source of these ailments—the failing, fluttering, inside or controlling nerves. And herein lies the keynote to my success.

When these nerves are again made well and strong, then that is the certain end of all such sicknesses.

To me it is a great satisfaction that I am the only physician able to say to the suffering sick, "Take my prescription for full 30 days, and if it fails to help you, the entire expense is mine—not yours."

Then why should the sick take any chance on any other medicine, whose maker dare not back it just as I do by this remarkable offer?

I also have a Rheumatic Remedy—and that remedy is covered by the same identical "No help, no pay" protective plan.

Besides, you are free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request.

So let me send you an order at once. Take the message to some sick friend.

A postal will bring the opportunity. I will have an honest and trustworthy drug-gist to whom you can conveniently go for the 30 day test.

But first, ask me for the order, for all druggists are not authorized to give the 30 day test. So write me now and save all delays. Remember that tomorrow never comes. Address Dr. Shoop, Box 12, Racine, Wis.

Have One Doctor

No sense in running from one doctor to another. Select the best one, then stand by him. Do not delay, but consult him in time when you are sick. Ask his opinion of Ayer's Cherry Pectoral for coughs and colds. Then use it or not, just as he says.

Ayer's

Always keep a box of Ayer's Pills in the house. Just one pill at bedtime, now and then, will ward off many an attack of biliousness, indigestion, sick headache. How many years has your doctor known these pills? Ask him all about them.
